For practical and safety reasons boating holidays may be unsuitable for people with certain disabilities. If any member of your party is physically or mentally disabled you should tick this box and attach details so that the boatyard can be made fully aware and special assistance can be given where necessary and where possible.

DAMAGE WAIVER SCHEME

The Damage Deposit Waiver Scheme was introduced several years ago as an optional alternative to the standard damage deposit. Because of its popularity, we have decided to standardise on the waiver scheme. This means that for a once and for all non-refundable payment of £45.00, you will be covered in the event of any damage/loss or accident to your boat or its inventory during your holiday. This will be included in the final invoice sent to you.

Special Exclusions to Damage Waiver

1. Speeding (reported or witnessed).
2. Malicious, negligent or intentional damage to the boat, its equipment, the waterway, other boats or structures.
3. Damage to rudder or skeg, due to cill damage in locks
4. Return of boat in an unclean condition. In the case of any of the above being reported, we shall claim the full cost of repairs, replacement or compensation.
